

Move To Rescind Slash

House Vote Be Taken to Cancel Postal Cut In Session Tuesday

By William F. Arbogast

WASHINGTON, Aug. 14.—(AP)—The House reversed itself today and decided tentatively that it doesn't want to save money by cutting postal service.

It voted 248 to 81 to take from its Rules committee and bring to a House vote tomorrow a bill cancelling a Postoffice Department order to reduce home deliveries to one a day and limit other service.

The Rules committee had kept the bill from a House vote.

The size of today's ballot forcing the bill to a test indicated that it would pass tomorrow and go to the Senate.

If it passes the Senate, the bill then would have to get President Truman's approval before it became a law.

The postal curtailment order was issued on April 17, almost one month after the House Appropriations committee had suggested that the department try to save some money by cutting down on service, including "a reduction of the number of deliveries per day to many areas."

When it passed the general appropriations bill in May, the House upheld its Appropriations committee and chopped about \$25,000,000 from postal operating funds for the fiscal year 1951.

Estimates on Savings

There have been various estimates as to how much money would be saved by the service reduction order.

Rep. Canfield (R-N.J.) told the House today the savings would not exceed \$25,000,000 a year, but Rep. Cox (D-Ga.) put it at \$70,000,000.

Canfield called the order "false economy" and said it not only hurts business and the war effort but has an adverse effect on the morale of soldiers because they don't get good mail service.

The British, Canfield said, haven't cut their mail service.

Cox pleaded with the House not to play politics at this time.

"Here we are in a state of war and this branch of Congress is playing politics," he said. "I am ashamed of those who are responsible for bringing the bill to the House."

The bill got to the House because 218 members signed a discharge petition forcing the vote.

Cox said he hoped Republicans who "have been pleading for economy would vote 'in accord with their words' when the final test comes."

Board of Appeals Holds Sessions

The Pettis County Board of Appeals on equalization is meeting for three days in the county court room.

The board consists of the county court, Judge J. V. Kesterson, presiding judge, Judges W. L. Martin and Edw. Callis, associate judges; County Surveyor Raymond Wilder, County Assessor Lawson Clingan, Mayor Herb Studer and City Assessor Joe Potts.

The board met today, and will meet again Tuesday and Wednesday to hear appeals of those property owners who feel their assessments are too high.

Seven Die in a Fireworks Explosion

CATANZARO, Italy, Aug. 14.—(AP)—Lightning struck a fireworks factory and seven persons were killed in the fire and explosion of 300 paper bombs. The bombs were prepared for tomorrow's Ferramosa celebrations—Italy's major mid-summer holiday.

The Weather

Central Missouri: A few scattered showers to night. Low to night near 70. Partly cloudy and warmer to morning. High—high—est in upper 80s.

STORMY

Lake of the Ozarks: 60.0 full, rising.

Temperature: 7 a. m. 68 degrees; 2 p. m. 83 degrees.

Rainfall: 2.45 inches.

Thought for Today

Martha said unto him, I know that he shall rise again in the resurrection at the last day.—John 11:24.

Guardsmen In Start of Training

FT. LEONARD WOOD, Mo., Aug. 14.—(AP)—Two weeks of training for National Guardsmen of the 38th Division got under way here today.

The Guardsmen from Kansas and Missouri arrived yesterday in trains and trucks. And officers said the men will concentrate on actual field training, with a minimum of parades and ceremonies scheduled.

The exact number of guardsmen present was not disclosed. Officers said the division's strength was greater than a year ago, but not up to its full quota.

Empire Fair Breaks Records

SPRINGFIELD, Mo., Aug. 14.—(AP)—Two all-time attendance records were broken Sunday at the Ozark Empire fair.

Sunday's crowd totaled 35,000, 1,000 more than the previous mark, set in 1948. Another attendance record was registered at the fair's auto race when 8,000 went through the gates.

Today's program featured junior exhibitors, with members of the future farmers of America and the 4-H sponsoring exhibits.

Would Have Reds on Bail Put In Jail

Eleven Said To Back "Commies" In Korea Conflict

NEW YORK, Aug. 14.—(AP)—The Government charged today that 11 convicted Communist leaders are backing Communist forces in Korea and elsewhere, and thus "should not be at large in this hour of national crisis."

U. S. Attorney Irving H. Saypol made public the government's affidavit in support of its move to have the "American politicos" members—now free in jail—jailed while their appeals are being considered by the courts.

All have been found guilty of criminal conspiracy and sentenced to prison terms up to five years.

Saypol accompanied his affidavit with photostats of recent articles in the Daily Worker, Communist newspaper, assailing the United Nations action in Korea and denouncing "American war-makers."

The Daily Worker propaganda line since the Korean fighting began, the affidavit said, "justifies the conclusion that, with the welfare and security of the United States and its armed forces at stake, appellants' loyalty to the Communist forces in Korea and throughout the world is undivided and unquestioned."

Saypol said the party leaders "are continuing to pursue the same course of conduct which led them to their conviction" and "they should not be at large in this hour of national crisis."

One of the Daily Worker exhibits Saypol made public was a full-page article signed by three of the convicted leaders. It said in part: "Not a cent, not a gun, not a plane for Wall Street's puppet regimes in Korea, Formosa, Vietnam."

The defendants must show cause in federal court here next Thursday why they should not go to jail at once.

Kills Neighbor In Backyard Shooting

ST. LOUIS, Aug. 14.—(AP)—Otto R. Schneider, 54, was shot and killed in the backyard of his home yesterday and his wife narrowly escaped injury.

Police said a neighbor, Alfo Milano, had admitted the shooting. Milano was booked suspected of murder and was held without bail for the coroner.

Police said Milano insisted the Schneiders could hear everything he said over their television set and they "used to pound on their head" to keep him awake.

Schneider's son, Charles, 24, told police the family didn't own a television set and that his father and Milano had been friendly.

Police said Milano fired from a second floor window.

Ten Dead; 5,000 In Flood Homeless

MANILA, Aug. 14.—(AP)—The Philippines Red Cross said today 10 persons were dead and 5,000 were homeless in the wake of floods which inundated 10 Luzon island provinces the past 12 days.

Discussed Korean Situation

LONDON, Aug. 14.—(AP)—U. S. Ambassador Lewis Douglas called on Prime Minister Attlee today at No. 10 Downing street, Attlee's official residence. Informed sources said they discussed the situation in Korea, the Far East and Southeast Asia.

Debate on Controls Renewed

Bricker Contends Congress Should Retain Right As To Decisions

By Marvin L. Arrowsmith

WASHINGTON, Aug. 14.—(AP)—Senator Bricker (R-Ohio) contended in the Senate today that Congress ought to keep for itself the right to decide when and if wage and price controls are needed.

He argued against granting that power to President Truman as proposed in pending economic controls legislation.

Bricker said that all available evidence seems to point to the conclusion that total economic mobilization "is not necessary to handle the cost of the Korean war or any similar emergency."

To give wage-price powers to the President, he said, would create two dangers:

First, a piecemeal approach would create inequities faster than they could be corrected.

Second, the President would be subject to tremendous pressure to control certain commodities, and having started a piecemeal system, he would be "powerless to stop general price and wage controls even if he should feel they were premature."

Bricker added: "To apply such controls prematurely, without careful study, or for the purpose of obtaining some political advantage is a senseless gamble with the security of the nation at stake."

The Senate returned to debate on the bill after a week-end exchange of Republican-Democratic charges of playing politics with home front mobilization.

Assail Administration

Two Republican lawmakers assailed the Truman administration's handling of the program.

Senator O'Mahoney (D-Wyo.), talking with reporters, called in reply for "a truce on partisan politics."

"I think this is a very poor time for anyone—Democrats or Republicans—to challenge the motives of those who are called upon to make the extremely difficult decisions required," O'Mahoney declared.

"This of all times is a time for a truce on partisan politics, for partisan attacks are wholly uncalled for and only serve to weaken us."

O'Mahoney was replying to week-end attacks on the administration by Senators Aiken (R-Vt.) and Narum (R-Pa.).

Aiken predicted easy Senate passage late this week of a House-approved bill which would set up authority for wage-price rationing curbs, but he said President Truman declined "for political reasons" to ask Congress for those controls.

Mr. Truman did ask for immediate power to allocate materials, set up priorities and curb credit. The bill which the House passed and which appears to face smooth sailing in the Senate would also give him authority, for use when he saw fit, to control prices and wages and impose rationing.

"Eve on Elections"

Aiken contended that Mr. Truman has his eye on the November elections and has been "negligent in leaving the American people in the dark about the gravity" of the world situation.

Martin accused the administration of a tendency to play politics with the nation's security, and asked:

"Can we wait until after the November elections to tell the people of America the real truth? Can we place votes first?"

Mr. Truman has said that if Congress gives him wage-price rationing powers, he would like to have a free hand to invoke them. But he says he sees no need for those controls now.

The President also has said he did not ask for such authority because he did not want to touch off a controversy in Congress which would delay action on the other controls powers he wants quickly.

Rain Averts a Big Crop Loss

ST. LOUIS, Aug. 14.—(AP)—A three-inch rain over the week-end averted a possible \$1,000,000 crop loss in St. Louis county, it was estimated today.

Charles H. Stemme, chairman of the county division of the Federal government's production marketing administration, estimated that \$500,000 damage already had been caused in the county by lack of rain.

U. S. Weatherman Harry F. Wabgon predicted more rain today.

Have Proposal For Unified Army

STRASBOURG, France, Aug. 14.—(AP)—Constantin Tsaldaris formally proposed today that Western European governments begin immediately negotiations for a unified army.

He asked the European council's consultative assembly to endorse its president, Paul-Henri Spaak of Belgium, with carrying out the first preliminary steps.

Tsaldaris, former Greek premier, urged the assembly to "start the machinery in motion" for creation of the army proposed by Winston Churchill before the assembly last Friday. Spaak endorsed the plan and the assembly speedily approved it. Churchill, Britain's wartime prime minister, had warned there is "not a day to lose" for Western Europe to arm itself against Soviet aggression.

Strike At The California U

BERKELEY, Cal., Aug. 14.—(AP)—Janitors and other custodial employees went on strike at the University of California today.

It was the first strike in the university's history. Wages were the issues.

Placed carriers picketed all gates of the big campus, which has a fall-winter-spring enrollment of 20,000-plus students. The summer session ended a few days ago, but some special students are in class.

David S. Sharrman, business agent for Local 371 of the AFL State, County and Municipal Employees' Union, said about 150 members of the local voted unanimously to strike.

The union is asking wage increases averaging \$50 a month. University officials have told them that this year's budget will not cover such increases.

Seek Body of A Young Heir

One of Mountain Climbers Found Dead on Sunday

LONE PINE, Calif., Aug. 14.—(AP)—Four veteran mountain climbers lowered themselves over the east face of Mt. Whitney today in a last-hope search for Christopher Smith Reynolds, tobacco-heir son of singer Libby Holman.

The climbers plan to search remote ledges and crevasses and, if unsuccessful, will remain on the nation's highest peak overnight and start anew tomorrow.

The other phase of today's rescue operations will see the removal of basket and ropes of the body of Reynolds' companion.

The frozen body of 17-year-old Stephen Wasserman, son of a wealthy eastern family, was found Sunday at the 11,500-foot level on Mount Whitney. But searchers found no trace of his climbing companion, Christopher Smith Reynolds, tobacco heir.

Identification was made by W. C. Rigg and Ralph Adams, operators of Cerro Gordo gold mine, for which the two youths had worked this summer.

The body, lying in deep snow above the timberline and at the base of 3,000-foot Granite Cliff, was reached by a searching party of veteran mountain climbers after an all-day effort.

The searchers were unable to determine how far the boy had fallen. The body was frozen, but not severely battered.

Near Mirror Lake

The discovery of the body, about three and one-half miles from Mirror Lake, ended one phase of the 4-day search for the two wealthy young easterners.

The two 17-year-old boys started out from here a week ago in an attempt to conquer the east face—by far the most difficult side—of the 24,966-foot peak, the highest in the United States. The area is known to mountain climbers as the roughest country in the entire Sierra Nevada range.

As the youths' body was being found, his father, William Stix Wasserman, Philadelphia and New York broker, was guiding the area in a plane.

The elder Wasserman is part owner of the Cerro Gordo silver mine where the boys were working.

Return To Airbase At Pohang Expected Soon

By Helman Morlin

TOKYO, Aug. 14.—(AP)—This is the story of the death of an air base.

A fighter pilot told it in broken bits, a few words at a time and then a long silence. There was pain behind his flat, cold tones.

Sometimes he called the air base "home" and then a frown wrinkled his brow. Mostly he just called it "the base."

The base is the one near Pohang which the Air Force abandoned in the teeth of Red attacks.

BULLETIN

WASHINGTON, Aug. 14.—(AP)—President Truman told South Korea's President Syngman Rhee today that "victory is assured" in the Korean war.

"I know that the aggressor will be repelled and that the people of Korea will achieve freedom and independence which are their natural right," Mr. Truman said in a message.

"By a staunch adherence to the principles of right and democracy, victory is assured."

Program By Rotary 'Model Induction'

Put On By the Committee On Education

The Rotary Club met today noon at the hotel with K. U. Love, president, presiding over the meeting.

Invocation was given by Dr. Roy E. Keller and the singing led by Dick Snow.

The program chairman, Leonard Penbody, presented "A model induction," which was put on by the Rotary Education committee composed of Emory Bowman, chairman, William Rich, Ernest Thompson and Ray Lippard.

E. A. Edwards was elected by the board of directors as a member on the Rotary magazine committee.

George Lockett was elected to the chairmanship of the sport committee.

Guests introduced by Rev. Thomas W. Croxson were Rev. David M. Bryan and John Wayne, guests of T. W. Croxson.

Emory Bowman presented Louis Payton as the baby Rotarian. He was a member of the Rotary club at Egginsville.

Those attending other clubs the past week were: Ray Lippard, Bradman Mann, Dr. Roy Keller, St. Louis, Nolan Bricken, Lexington and Henry Holst, Marshall.

The annual Rotary picnic will be held Tuesday evening at Liberty Park.

Heavy Rainfall In This Area

The Missouri State Highway Patrol and the A to Z Club of Missouri announced today that all roads in Missouri were open and there appeared to be no threat of high waters affecting the road conditions.

Both the Lee's Summit and Jefferson City Highway Patrol stations reported that patrolmen throughout the state had investigated the condition of the various streams and found that there was no threat to traffic along the main roads.

Both Flat creek and Muddy creek rose sharply Sunday, but both were still confined to their banks Monday afternoon. The rainfall for Sedalia and vicinity Sunday was 2.45 inches.

In Sedalia in low places late Sunday motorists drove through shallow water over the streets.

Princess Has Play With Her Son

LONDON, Aug. 14.—(AP)—Princess Elizabeth, who is expecting a second baby any day now, played with her son, Prince Charles, on the lawn of Clarence House today.

After 15 minutes with the little Prince, who is 21 months old today, the Princess retired into her home.

King George VI arrived at Balmoral, Scotland, for his annual grouse hunting trip. Arrangements were made to telephone him of the new baby's arrival. Queen Elizabeth remained in London.

Yesterday Princess Elizabeth left home to lunch with King George and Queen Elizabeth. This surprised the crowds who had been waiting outside for word on the new baby.

Fatally Injured In Collision

INDEPENDENCE, Mo., Aug. 14.—(AP)—A two-car collision six miles east of here yesterday resulted in fatal injuries for Shelby F. Gerson, 44-year-old sheet metal worker. He lived at Independence.

Plant To Turn Coal Into Oil

WASHINGTON, Aug. 14.—(AP)—A new plant to turn coal into oil is expected to be placed in operation at Louisiana, Mo., next year.

The interior department announced last night the second plant at Louisiana has been completed with the exception of minor preparations. The second unit cost \$4,815,000.

The basic plant will use a different process than the first one which has been in experimental operation over a year. The plant will gasify pulverized coal and oxygen and superheated steam, and then convert the gas into liquid fuels.

Drowns In River

NOEL, Mo., Aug. 14.—(AP)—Adolph Stroebe, 46, of Parkville, Mo., drowned in the Elk river south of here Saturday while attempting to swim across the stream behind two friends. He was believed to have suffered a heart attack. Stroebe came here to fish.

Mass of 60,000 Reds for Big Push To Taegu, U. N. Forward Base

Memorial For Korean War Dead

SAN FRANCISCO, Aug. 14.—(AP)—More than 4,000 disabled American veterans, holding their 29th national convention, will conduct memorial services for the Korean war dead tonight.

Following that will be a "wheel chair revue," by paraplegics—veterans paralyzed from the waist down.

They will "walk" the high wires with a wheel chair, "shoot the wheel" on wheels, and even dance called "litter wheeling."

All of the paraplegics participating were trained at the now defunct Birmingham veterans hospital near Van Nuys, Calif.

Second Death Due To Car-Truck Collision

BOONVILLE, Mo., Aug. 14.—(AP)—A car-truck smashup west of here Saturday claimed its second victim Saturday night. Carl K. Kahoe of New Albany, Ind., died in a hospital of injuries suffered in the accident.

His wife, Bernadette, was killed instantly in the collision.

End St. Louis Transit Strike

Strikers Agree to Return to Their Jobs Unconditionally

ST. LOUIS, Aug. 14.—(AP)—St. Louis bus drivers and street car operators ended their three-day strike early today.

Acting Mayor Charles E. Albarese announced the men decided to return unconditionally to their jobs.

The Public Service company reported normal service was restored by 5 a. m. He added there was no trouble at any of the car barns.

The end of the walkout meant a return to normalcy for this city, where thousands of persons have been handicapped in getting to and from their jobs since the transit system ceased all operations Friday.

As estimated 315,000 persons used the street cars and buses daily.

Gov. Forrest Smith ordered state seizure of the transit system at 11:55 p. m. Thursday under the King-Thompson law, which bans strikes against public utilities.

Despite pleas of union leaders to stay on the job, the drivers all were out 24 hours after the state took over.

Smith specified that the transit employees—members of the AFL Street, Electric Railway and Motor Coach Employees Association—continue to work under the wage scale in effect at the time of the seizure.

The men said they would not return to work unless the Governor promised a seven-cent-an-hour pay raise, retroactive to Jan. 1. The raise had been recommended by an arbitration panel, but the company refused to accept the decision.

However, Albanese said the men, in a meeting last night, decided to give in.

Vance Julian, chairman of the state mediation board, who was placed in charge of state operations by the governor, had refused to meet with the strikers.

Julian had said there would be no further negotiations or attempts to operate vehicles until everybody went back to work.

Plant To Turn Coal Into Oil

WASHINGTON, Aug. 14.—(AP)—A new plant to turn coal into oil is expected to be placed in operation at Louisiana, Mo., next year.

The interior department announced last night the second plant at Louisiana has been completed with the exception of minor preparations. The second unit cost \$4,815,000.

The basic plant will use a different process than the first one which has been in experimental operation over a year. The plant will gasify pulverized coal and oxygen and superheated steam, and then convert the gas into liquid fuels.

Korean Situation At a Glance

By The Associated Press

Central Front—Reds poised 60,000 troops along Nakdong north-west of Taegu for expected blow at American inland base. Americans and South Koreans wipe out probing attacks on central sector. Red general offensive reported imminent.

Changnyong Sector: On southern flank of central front, American 24th Division attacks Red bridgehead, gains up to a mile in drive with artillery and tank support on six-mile front 23 miles southwest of Taegu.

Eastern Sector: Red battalion holds Pohang, former U. S. supply fort; U. N. forces still hold airstrip, but planes no longer are using it.

Southern Sector: Marines and infantry take hills outside rubble Chinju.

Air War: Tiny Tim, new American 11.77-inch rocket, goes into action, as Navy carrier planes use them to good effect in attacks on Red supply lines. Other planes make Red troop installations along front.

Doorman At Night Club Is Wounded

JOPLIN, Mo., Aug. 14.—(AP)—Five bandits held up a night club south of here early yesterday and shot and wounded critically the club doorman, Harry Blaze, 42.

Blaze was shot as the bandits left the club after they took about \$1200 and a diamond ring. The club is five miles from Joplin on the Kansas state line.

'Savagery' Story All Lie

London Daily Worker Has One Unbelievable

LONDON, Aug. 14.—(AP)—A Communist war correspondent in North Korea reported today that three American prisoners of war have condemned America's "savagery" in the Korean fighting as sickening and shameful.

Alan Winnington, in a dispatch from Seoul published in the London Communist Daily Worker, said he had not found a single captured American soldier "who is prepared to defend the policy of his country toward Korea."

Winnington is the only British correspondent with the Communist North Korean forces. His dispatches pictured the Americans as murdering familiar Communist propaganda themes.

An officer he identified as Maj. Charles T. Barter, M. Vernon, Ind., of the 63rd field artillery, told him, Winnington said:

"I made up my mind when I was captured that I would not listen to anything these people told me. But you do not need telling, you can see for yourself. I saw it all the way along and I am sick at my heart for what our people are doing. Every time I hear one of our planes, my belly turns over with disgust."

"These people have won the war and killing more people the way we are is just savagery. I thought America was a civilized country. I hope to God we will be intelligent enough to get out."

Winnington said he had another interview with Maj. L. R. Dunham, whom he described only as "a New Hampshire man, nine years a soldier and of the 24th division, 34th regiment."

The Communist writer quoted Dunham as saying that "the Americans know they are licked and are just trying to smash the place up and kill people."

Write On Trips To The 5-State 4-H Health Camp In Ozarks

Miss Lillian Bahner and Pat Moriarty, members of the Striped Ozarks College 4-H club, located south of Sedalia, have recently returned time and took speedboat rides in the 5 day State 4-H Health Camp. The for various sports and games and Conservation Camp. The fourth Annual Health and fifteenth Annual Conservation Camp were held jointly at Camp 2-C on the Lake of the Ozarks from July 24 to 29.

Pat and Lillian were chosen by the State 4-H Club Office to attend this camp on the basis of the outstanding work done by their 4-H club in the Health and Conservation Activities.

The following report of the activities carried on at this camp by Pat and Lillian indicates that this event gave the campers a realistic type of education that can be put to practical use in their own club and throughout the county.

My Trip to the State 4-H Conservation Camp, by Pat Moriarty:

I was very happy to be chosen as a delegate to the 15th Annual 4-H Conservation Camp at the Lake of the Ozarks. The camp activities started on the evening of July 24 with the delegates dividing into four tribes. A chief and scribe were chosen to represent each tribe on the camp council and a chief was selected to preside over the council. I was happy to be selected as chief of my tribe and also chief of the camp council.

The camp program started each day with a different tribe going on a bird walk. On these bird walks we learned to recognize new birds and also the habits of familiar birds. Each day we had assemblies at which time we were addressed by different camp personnel: I enjoyed the talk by Mr. O. T. Coleman, Extension Soils specialist from the University of Missouri, most of all. Mr. Coleman talked to us on "Soils In It's Relations to Health and Conservation". We also made tours each day on which we observed natural wildlife feeding shelters, bird shelters, den boxes, and feeding stations. We were also shown how to develop the farm pond as a wildlife area. This was most interesting as we all took part in setting out the aquatic plants around the pond and fertilizing given the best report were nominating the port area. During one of our assemblies a moving picture on the planting and care of Multi-Flora Rose was shown.

Each afternoon we had a craft period. In this project we made cruising sticks which are used to determine the number of board feet in a tree. We spent considerable time studying forestry and the proper management of farm woodlots. I learned how to identify a number of trees in this project.

Although we spent considerable time on our conservation activities we still had lots of time for recreation. Each afternoon we went

stressed the importance of water testing and many other things.

epaag k-YOe sand etacin etac "Soil In It's Relation to Health and Conservation" was the topic of a very interesting talk by Mr. Sam Coleman, Soil Specialist from the University of Missouri. It included what can and should be done for different kinds of soil.

Another thing I enjoyed very much was "Keeping the Summer Sun in Winter Foods". It was made very realistic by health members who shucked, cleaned, sorted, blanched and prepared corn for the locker. This corn had been specially planted and cared for so it would be at its correct earning and freezing stage by July 25th or 26th. Two days following the freezing of this corn the cooks prepared it for supper. Everyone agreed it tasted very good. Lester Akers, State Club Agent was very good at helping with the preparation of the corn. He also helped the Health Group with many other things.

Mr. Trip to the State 4-H Health Camp, by Lillian Bahner:

The 4th Annual Health Camp was held July 24th to July 29th at the Lake Ozark State Park 2-C. Mrs. Lester Patrick, our community leader, along with Dale McBurney and Doris Stoenking from Henry and Johnson County, Pat Moriarty and myself left Sedalia about 1:30 p. m. Monday afternoon, July 24th.

After arriving at camp each delegate was given a health check-up by the camp nurse. At 7:30 we were divided into groups with the Health Delegates as one group. Each group then elected a Chief and a Scribe. I was very happy to be elected as chief of the health group. There were 23 health delegates and 73 in Conservation.

First Aid Practices were what the Health Delegates had as a special event. It was carried out and practiced each day. We learned how to care for wounds, blisters, snake bites and how to give artificial respiration. Having had a first aid course just about completed before I left I was asked to demonstrate how to put on a hand bandage.

Miss Charline Lindsay and Miss Ruth Crowley were in charge of all Health Assemblies. I enjoyed working with them very much as they were both very capable leaders.

Each day at the 2 o'clock assembly each County Health Delegate gave a report of what his or her club had done and is now doing for their community. At the end of the week the two who had around the pond and fertilizing given the best report were nominating the port area. During one of our assemblies a moving picture on the planting and care of Multi-Flora Rose was shown.

Each afternoon we had a craft period. In this project we made cruising sticks which are used to determine the number of board feet in a tree. We spent considerable time studying forestry and the proper management of farm woodlots. I learned how to identify a number of trees in this project.

Although we spent considerable time on our conservation activities we still had lots of time for recreation. Each afternoon we went

Was Hostess To Extension Club

Mrs. Lawrence Young was hostess to members of the Clifton City Extension club at her home in an all day session with four visitors present. They were Mrs. Young's mother, Mrs. Mike Twente, and two daughters of Clear Creek, and Mrs. Commadore Fairfax. At noon a contributive dinner was served. In the afternoon the meeting was opened by singing "The Song of Peace." Plans were discussed for Achievement day, which will be held in Boonville on October 21. Annual reports were given and the meeting was turned over to the program leader. The principal feature of the program was a book review, "Webb of Days," by Edna Lee Given, presented by Mrs. C. J. Reuter. The next meeting will be held at the home of Mrs. Add Johnson in September.

Nine Overtime Parkers Forfeit Bonds
Nine overtime parkers failed to appear in police court, this morning, and their cash bonds of one-dollar each were ordered forfeited by Police Magistrate Jerry Trotter.

D. L. Donnell, 708 East Broadway, and Charles C. Penn, Sedalia, charged with blocking an alley, both forfeited bonds of \$2.00 each.

"LIKE ONE OF THE FAMILY"

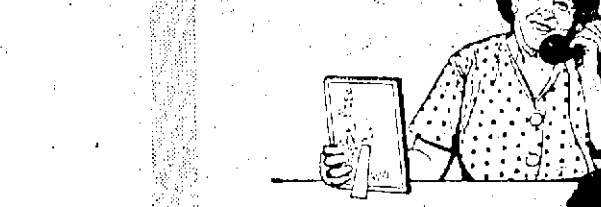

The Bundys believe in good old-fashioned family life—and so do their many relatives in Topeka.

And the telephone is an active member of the family circle, helping to keep family news and plans "up-to-the-minute." As Mrs. Bundy puts it: "We'd be lost without our telephone. It's like one of the family. And best of all—when we kept a five-day record of all our calls recently, we found that we're paying only about 2¢ for each call made and received. You can't beat that for a bargain."

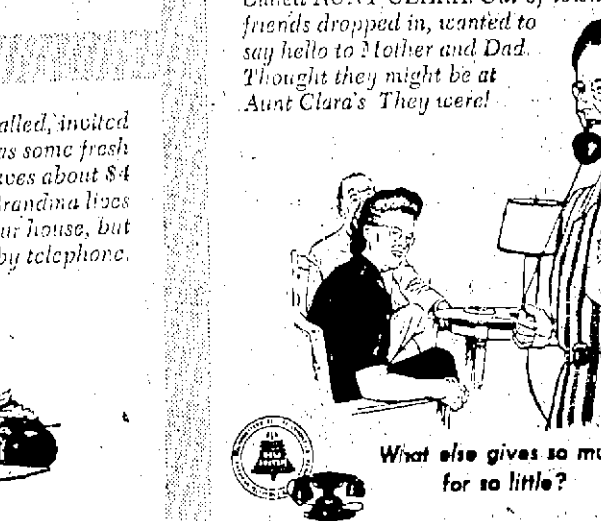

Yes, Mrs. Bundy, a real bargain—and one that increases in value year after year as more telephones are added and improvements are made. Southwestern Bell Telephone Company.

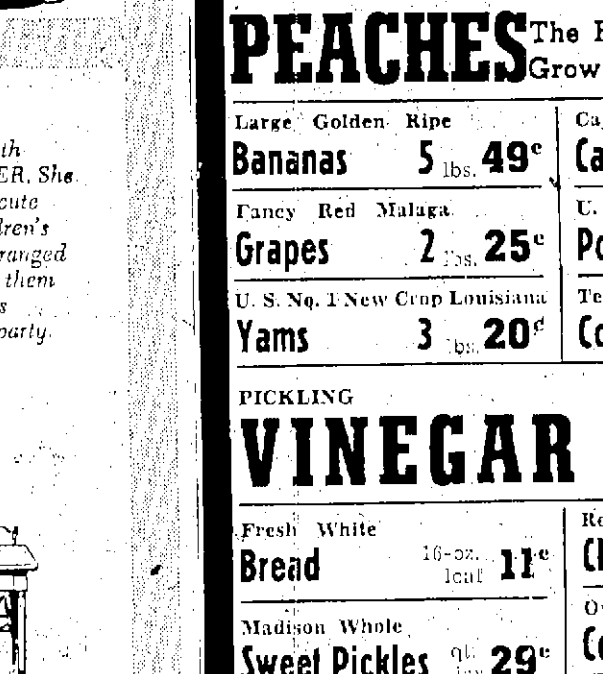

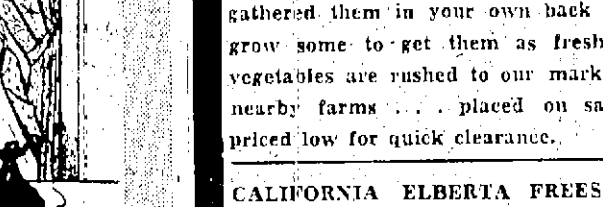

One of the many calls listed in our five-day record was from my MOTHER-IN-LAW. She wondered what our little Larry would like for his birthday. He'll be five next week.

Talked with MY SISTER. She has some cute little children's chairs. Arranged to borrow them for Larry's birthday party.

Called AUNT CLARA. Out-of-town friends dropped in, wanted to say hello to Mother and Dad. Thought they might be at Aunt Clara's. They were!

GRANDMA WELLS called, invited us to dinner. She has some fresh vegetables for us, too—saves about \$4 on the grocery bill. Grandma lives alone, three miles from our house, but she's just seconds away by telephone.

Social Events

Throng at the Park on Sunday

Liberty Park had one of the largest crowds to visit that popular place for picnics, sports and other features Sunday. It had in a period of several years aside from public occasions when big celebrations were held.

With its numerous reunions, smaller groups of picnic parties, baseball game and the swimming pool in operation the throngs there seemed to be extremely happy until late in the afternoon, when a downpour of rain caused them to either rush for shelter or to their cars to take-off for their homes. The ball game between the "Whiz-Kids" and Holcomb Cardinals was on in the fifth inning.

All tables and benches were utilized at the shelter spot, the band shell, the large convention hall, N. J., formerly Miss Layde Judd Golladay, Ottumwa, Miss Elizabeth McLaughlin, of San Francisco, Calif., visiting her parents, Mr. and Mrs. E. H. McLaughlin.

The only other out-of-town guest will be Mrs. Judd Golladay Ottumwa, mother of two of the honorees.

Mr. and Mrs. Thomas Emil Smith, of St. Louis, the latter the former Miss Rosemary Ermine, of Sedalia, are visiting Mrs. Smith's grandmother, Mrs. Herman Loos, 519 West Fifth street.

Miss Ermine, daughter of Mr. and Mrs. Walter L. Ermine, of St. Louis, and Mr. Smith, were married on June 18, and this is their first visit to Sedalia since their marriage.

Miss Gladys Sylvester, daughter of Mr. and Mrs. Sylvester of Sweet Springs, became the bride of Mr. Raymond E. Stuenkel, son of Mr. and Mrs. Ernest Stuenkel, Sunday, August 6, at 8:30 o'clock in the evening at Holy Cross Lutheran church at Emma, Mo.

The Reverend William Hoping read the double ring ceremony.

The altar was decorated with a background of gladioli and five burning tapers on each side. Each pew along the aisle was decorated with golden glow and daisies tied with white ribbons.

Professor Erwin Lux played the wedding music and also accompanied Mr. Roland Fischer, who sang, "Because."

The bride, who was given in marriage by her father, wore a white slipper gown with off the shoulder effect, nylon net veil, collar, fitted bodice with nylon net over skirt that extended to an aisle-wide train edged with satin, short sleeves and fitted gloves that came to a point over the hand. A Miss Sylvester, mother of the bride, wore a gown with black and white accessories. Her corsage was of white carnations and gerberas. Mrs. Stuenkel, mother of the bridegroom, wore a navy and black and white accessories. Her corsage was also of white carnations.

Seeking Leaks In Barn Finds Old Almanac

It was a leaky roof that caused Tommy Hood, 15 year old son of Mr. and Mrs. Forrest Hood, 515 West Second street, and a cousin boy for the Sedalia Democrat, to climb to the rafters of their barn one day last week to show his brother, who was on the roof, just where the leaks were.

As Tommy went between the rafters of one side and the point of the other he looked around the barn for where he had never ventured before. Over in a corner was a couple of old magazines or at least that was what they looked like. Tommy picked them up. They were old, yellowed with age and fly specked from many years in the rafters.

Tommy turned out to be an almanac from the years 1888 and 1889. In them also were pages of poems, valuable information and interesting facts—but Tommy couldn't read them. They were printed in German.

On the front, a big and fancy printing, was the title "German-American Kalender—Lohn-Amerikanischer Kalender—Lohn-Amerikanischer Kalender." On the cover, too, was a religious picture of the Christ child and his mother.

The months of January and February the "Y" was left off the end of the word, March was spelled Marz, and May and July were spelled May and July.

A reception followed the ceremony at the home of the bride's parents. Dinner was served on the lawn arranged with tables where about 200 guests were seated. The three-tiered wedding cake, baked by Mrs. A. Vin Kock, sister of the bride, had a miniature bride and groom on top.

The bride chose a white summer suit with navy and white accessories for going away.

The bride is a graduate of Sweet Springs high school and was formerly employed at the Missouri Audit Bureau in Kansas City.

Mr. and Mrs. T. W. Owen and son, Michael Eugene, 420 East Mainville street, entertained with a supper Sunday evening in honor of Mrs. Owen's mother, Mrs. J. W. Ellis, route 4, Sedalia.

Guests were Charles Ellis, Mr. and Mrs. Norman Ellis, Mr. and Mrs. J. W. Ellis and Mrs. Little Tegmeyer.

Return To Airbase At Sedalia's Home Pohang Expected Soon

(Continued from Page 1)

San Francisco. But they called it "Cleveland" because so many of the men were from Cleveland.

The sign was still up, or he guessed it was, that they had pointed, laughing, when the First Cavalry Division was due to land there. "Welcome First Cavalry to Cleveland airport." And the other sign — "If you would win this is the place to begin." The pilot thought for a while, grinned and said, "Oh, yes, and that we had another too—'Welcome friends all though you're slow—we know you would come, you told us so.'"

A few days ago things began to go bad. Korean Reds appeared in force, attacked Pohang and slipped into the hills, the pilot said. "Could it be who had the plane? Some said we did. Some said the Gooks did. You couldn't tell." And the pilot began beating the bushes.

"So we dug in. Just like the infantry. In foxholes about 25 feet apart. We had carbines and pistols also a few liberated Soviet bump guns (automatic rifles). "If everybody in the foxholes too—mechanics, pilots, K.P.'s and the C.O.'s."

He smiled a little when he remembered their "alarm." They heard a sharp crackling noise in the camp area and saw bright flashes.

"Well, we all hid the dirt just like the G.I.'s. Then one of your guys, some correspondent, got up to look and said it was just a couple of live electric wires swaying in the wind and touching."

He said: "You know, you guys write a lot of tear jerkers about the poor Korean refugees. Well, you can have them."

"Some refugees passed the camp after the fighting started in Pohang. Pretty soon we began catching bullets from the rear. Search them. Sure we searched them and they were clean as hell."

"They had their weapons slung away in the hills. Those were your poor Korean refugees."

He didn't mean on the bomb dumps just 300 yards away. He just said: "We had nupam (live bombs) covering everything. If they got too close there wouldn't be any sweet about getting things."

Sedalia's Home From Lake Hubert

(Continued from Page 1)

Mrs. Leo Eckhoff, 735 West Margaret Kathryn, who has been attending Camp Lake Hubert, at Lake Hubert, Minn., have returned home.

Mrs. Eckhoff, accompanied by Mrs. Herbert Seifert, visited Camp Lake Hubert to visit Margaret Kathryn and upon reaching the camp, Mrs. Eckhoff received a message that her daughter was in the St. Joseph hospital in Brainerd, Minn., where she had undergone an emergency appendectomy. Mrs. Seifert returned to Sedalia and Mrs. Eckhoff continued on to Brainerd where she remained until Margaret Kathryn was able to return home.

Mr. and Mrs. Wall visited him over the week-end in Springfield.

J. W. Clevenger Is Called to Service

James W. Clevenger, who for the past several years has made his home here with his sister, Mrs. Bob Wall, 1819 South Barrett avenue, and was graduated last spring from the Smith-Cotton high school has been called into service.

Clevenger, who was a member of the National Guards in Sedalia, went to Springfield to work during the summer and transferred to the National Guards there. He had planned to return to Sedalia soon and enter college this fall, but the 164th Ordnance of the 35th Division of the National Guards in Springfield of which he is now a member, has been alerted and will leave in ten days for Camp Hood, Tex.

Mr. and Mrs. Wall visited him over the week-end in Springfield.

Old Post Office Hit By Lightning

Lightning early Sunday morning took a "nip" at the old Post Office building, Second street and Lamine avenue, doing damage not believed to be too serious. The bolt struck the northwest corner of the fire wall at the top of the tower portion of the structure.

Several bricks were knocked to the sidewalk on Second street, and the bricks in the corner of the wall, at the top jarred loose. A portion of the large guttering was also knocked down.

James I. Collins, city engineer, had workmen block off the sidewalk below the damaged part of the building as a safety measure against hurting anyone by a loose brick which might fall. He said it will be surveyed today before any estimate of the damage would be made.

The building was purchased from the U. S. Government several years ago by the city. The Moose Club occupies the first floor and basement of the building, while the Pettis County Welfare office has the second floor.

No damage resulted to either the welfare office or lodging rooms.

Tax Bill To Be Up Next Week

By Edwin B. Haakinson
WASHINGTON, Aug. 14—(P)—Congressional leaders said after a talk with President Truman today that they do not anticipate any immediate requests for still more military funds.

They made it clear, however, that this did not rule out the possibility of further requests in the next few weeks or months.

Since the Korean war began, Mr. Truman has asked about \$16,500,000,000 of additional defense funds.

Speaker Rayburn (D-Tex.) told reporters at the White House that he hopes the House can act next week on some \$14,000,000,000 of military appropriations, including the \$4,000,000,000 asked for arms aid to allies in Europe and elsewhere.

The Democratic "Big Four"—Rayburn, Vice President Barkley, Senate Leader Lucas (Ill.) and House Leader McCormack (Mass.)—talked with the president for an hour about the legislative program.

They said the discussion was devoted largely to the tax and economic controls measure.

They predicted the Senate will be ready to take up the tax bill next week. The Senate Finance committee is putting together a bill aimed at raising at least \$5,000,000,000 more government revenue through higher taxes on both individuals and business.

Lucas said he thought the Senate could finish with the pending economic controls bill this week.

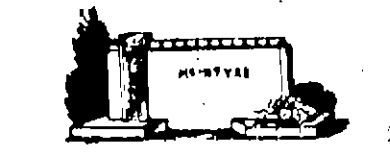

The \$16,500,000,000 of defense spending asked since the Korean war has run total arms-military requests over the \$30,000,000,000 mark.

Drops Divorce Action

The divorce petition of Victor G. Yeager against Lorene Frances Yeager, filed several days ago, was dismissed in circuit court this morning by the plaintiff.

Mass of 60,000 Reds for Big Push in the Tegu Area Forward Base

(Continued from Page 1)

southern coastal drive against Pusan, 55 miles from Chinju.

On the northeast rim of the curving front, a Red battalion held the port of Pohang, which had been one of the Americans' supply bases on the coast, but South Korean troops challenged them there and Kigye, jumpoff point for the Red's attack on Pohang and its airstrip, six miles to the southeast of the port. Planes no longer are using this important strip, but American tanks and infantry still hold it from the attacking Reds.

The "Tegu" a big new American 11.75-inch rocket, has gone into combat with reported good results. Fired from carrier-based Navy Corsair fighters the armor piercing rockets knocked out 13 enemy locomotives and damaged 23 more. It also set off ammunition on cars, set a mine two feet, and set a mine on a troop-train car. One "Tegu" rocket knocked out a bridge at Chungju, 30 miles northwest of Tegu, on the Red supply line.

Other U.S. and Australian planes poured rocket and machine-gun fire on the enemy in the building area around Waegwan, 12 air miles northwest of Tegu, where the Reds have placed about four elite divisions, including combat engineers.

Wipe Out 800

Facing the Red's divisions at Waegwan, the critical area, is the U.S. First Cavalry Division, which has been fighting off probing Red attacks across the river. The First Cavalry wiped out 800 Reds who sneaked across the river Monday.

The United Nations Security Council made ready for another heated session on the Korean question today (1 p.m. EST), with Russia still carrying on the one-man blockade to hamper its actions.

Schools for the Older People

WASHINGTON, Aug. 14—(P)—Two experts today urged the establishment of a system of public schools for people who are getting old.

Dr. Henry S. Curtis, Ann Arbor, Mich., educator, told a conference on aging that such schools are needed because of increasing numbers of persons living beyond the age of retirement.

Dr. Martin L. Gumpert, New York City, said that education should extend beyond the present school age to make schooling a lifetime job.

"We will have to undertake the boldest educational program in history if we are to maintain the social functions of the aging," Gumpert said.

Curtis said that retirement at a set age is a mistake "both for capital and labor."

"However, sooner or later the men are going to retire, and at present they retire to an uncharted future of doubtful value to themselves and the community," Curtis said.

"As the first step in the training for these years, the boards of education in our great industrial cities such as Detroit should set aside or build special schools for them," Curtis said.

"The program offered should not be for retired workers alone, but for men and women of any age who have the time and the desire to learn."

Gumpert said the life expectancy of man in the predictable future may range between 110 and 125 years, all but the last few of which could be comfortable and without disabilities now associated with age.

Describing himself as a geriatrician—"a doctor who fixes old people, just the opposite of pediatrician"—Gumpert said the whole concept of retirement must be changed in order to provide for solutions of the problem of aged people.

Sgt. Miller of Windsor, Among Wounded

Sgt. Naveel H. Miller, aged 35, son of Mr. and Mrs. Wesley W. Miller, route 4, Windsor, was wounded in action in the Korea area, according to a telegram received by his parents. No other information was given and they not heard from him direct.

Sgt. Miller has been in the Army 14 years. He is not married.

Slays His Wife With a Hammer

CARUTHERSVILLE, Mo., Aug. 14—(P)—Charges of first degree murder were filed here today against John L. Gillen, 40-year-old southeast Missouri sharecropper in connection with the death yesterday of his 34-year-old wife.

Prosecuting Attorney Elmer J. DeLoach, Caruthersville, filed charges this morning in the court of Magistrate Sam J. Conner, Deputy Sheriff Milton King of Caruthersville said Gillen is charged with beating his wife to death with a three-pound ball peen hammer and then stabbing her 22 times in the chest with an ice pick while the couple's three children looked on.

No case for a preliminary hearing has been set.

According to King of Caruthersville, Gillen beat his wife, Abbie, with the hammer while she was sitting at the breakfast table after the couple had argued over their bank account.

The children, King said, ran to the home of a neighbor, Mrs. John Dye to summon help. Mrs. Dye rushed to the Gillen home. Mrs. Gillen was not found at the time.

King said Gillen asked Mrs. Dye if his wife was dead and she replied no. Gillen then began beating his wife again and Mrs. Dye fled.

Following his wife's, Gillen drank two bottles of paragon. King said. He was still at his home when officers arrived.

Arrest of the three children ranged from 7 to 15.

Five Killed In Crash of Plane

NEWTON, Mo., Aug. 14—(P)—Five persons were killed in the crash of a single-engine four place cabin plane near here today.

The plane was piloted by Richard L. Wynnes, 33, Dubuque, Ia., city councilman who was piloting the craft, his wife Evelyn, their two sons Richard Jr., 7, and John, 3, and a niece, Brenda Bosley, 11, of Des Moines.

Wynnes had flown to Des Moines with his family yesterday to visit his mother and was returning home this morning when the accident occurred.

A jump in whose corralled the plane crashed said it seemed to be "falling apart" in the air. One wing was found 300 feet from the wreckage. The plane did not burn.

All five persons were killed outright.

Sixteen Back At Training School

BOONVILLE, Mo., Aug. 14—(P)—Sixteen boys who broke out of the state training school for boys here in a rash of escapes over the week-end have been recaptured, the school reported today.

Seven of the boys escaped Saturday night. Five Sunday and four Sunday night.

All have been returned to the school.

Personal

Mrs. Isabel E. Richardson, of Belknap, N. D., is here for a visit with her father, J. F. Richardson, and brothers, O. P. Richardson, and R. P. Richardson and Wayne Richardson.

Mrs. Clara Bushman, of Watertown, N. Y., has returned to her home after a visit with her niece, Mrs. James Hood, and Mr. Hood, 615 West Second street. Mrs. Bushnell stopped in Sedalia en route back to New York from Yellowstone National Park, where she had been on a trip with friends.

Mrs. L. C. Heumann, Sr., Sedalia, rural route 2, and Misses Betty and Roseann, returned to Sedalia Sunday, after visiting friends and relatives in Seward, Neb., for a week.

BIRTH'S

Son, born to Mr. and Mrs. R. L. Biggs, 46.6 South Brown avenue, at 6:38 o'clock Saturday evening at Bothwell hospital. Weight: Six pounds, five ounces.

Son, born to Mr. and Mrs. Robert Schuster, 314 East Fifth street, at 1:58 o'clock Sunday afternoon at Bothwell hospital. Weight: Seven pounds, seven ounces.

Daughter, born to Mr. and Mrs. Norbert Frank, 705 East Eleventh street, at 8:45 o'clock Sunday evening at Bothwell hospital. Weight: Five pounds, six ounces.

Son, born to Mr. and Mrs. Carl Wiseman of Hugginsville, at 12:36 o'clock this morning at Bothwell hospital. Weight: Four pounds, 15 ounces.

Son, born to Mr. and Mrs. Gerald T. Smith, at Hugginsville, at 11:04 o'clock Sunday night at Woodland hospital. Weight: Eight pounds, 14 ounces.

Bothwell Hospital

Admitted for medical treatment: Miss J. A. Atkinson, Warsaw; Miss Emma Kraft, 1194 West Third street, and Willard Stevens, Hughesville.

Admitted for surgery: Mrs. Morris Walker, 421 West Sixth street, and Mrs. Roger Staiko, Ottaville.

Discharged: Mrs. William Harwood and son of Knob Nester; Miss Shirley Parks, 83 East Tenth street, and Mrs. R. T. Bagg and son, 1316 South Brown avenue.

Take Body From Ruins

NOEL, Mo., Aug. 14—(P)—The body of Adolph Strohbe, 46, Parkville, Mo., was recovered from the Elkhorn river south of here yesterday. He drowned Saturday while on a fishing trip.

Funeral services will be held at 2:30 p.m. at the Roshop cemetery.

Check Be Made On Mortgages

O. P. Keller Makes Statement As To Such Financing

Longtime institutions in this area to be questioned in a spot check of mortgaged properties, District Census Supervisor O. P. Keller of this district with headquarters at Springfield announces.

Keller said the average lending institution in the area would be asked about from one to three mortgages with the exception of the very largest lenders, who might be asked about more.

According to Keller, the government and Congress will be able to develop better mortgage financing by receiving the information included in the survey.

Earlier this year, the census bureau asked similar questions of borrowers.

Questions to be asked of lenders in September are these: Keller said.

1. What type of indebtedness to you, own or service on this property? (Exemption, first mortgage, second mortgage, sales contract, etc.)

2. Is the present mortgage (a) insured by Federal Housing Administration (b) guaranteed or insured by Veterans Administration?

3. In what year was the present mortgage made or assumed?

4. What was the term in years of the present mortgage when made or assumed?

5. What was the original amount of the present mortgage when made or assumed?

6. What is the present unpaid balance on this mortgage?

7. What rate of interest is being paid at the present time?

8. Are regular payments required on this mortgage (a) or interest (b) for principal?

9. In addition to interest and principal, what "other items" (such as taxes) are included in the regular payments?

10. How often are regular payments required (a) for interest (b) for principal?

Check Be Made On Mortgages

O. P. Keller Makes Statement As To Such Financing

Longtime institutions in this area to be questioned in a spot check of mortgaged properties, District Census Supervisor O. P. Keller of this district with headquarters at Springfield announces.

Keller said the average lending institution in the area would be asked about from one to three mortgages with the exception of the very largest lenders, who might be asked about more.

According to Keller, the government and Congress will be able to develop better mortgage financing by receiving the information included in the survey.

Earlier this year, the census bureau asked similar questions of borrowers.

Questions to be asked of lenders in September are these: Keller said.

1. What type of indebtedness to you, own or service on this property? (Exemption, first mortgage, second mortgage, sales contract, etc.)

2. Is the present mortgage (a) insured by Federal Housing Administration (b) guaranteed or insured by Veterans Administration?

3. In what year was the present mortgage made or assumed?

4. What was the term in years of the present mortgage when made or assumed?

5. What was the original amount of the present mortgage when made or assumed?

6. What is the present unpaid balance on this mortgage?

7. What rate of interest is being paid at the present time?

8. Are regular payments required on this mortgage (a) or interest (b) for principal?

9. In addition to interest and principal, what "other items" (such as taxes) are included in the regular payments?

10. How often are regular payments required (a) for interest (b) for principal?

11. What is the total amount of the regular required payment? How much of this amount is for interest, and principal, combined, and how much is for "other items"?

12. What the required payments on the present mortgage pay off the loan completely by date of maturity?

13. What is the current status of mortgage payments (a) ahead in scheduled payments (b) 30 days or less than 30 days past due (c) past due by 30 days or more?

14. Classify the mortgage holder as (a) commercial or best company (b) natural savings bank (c) savings and loan association (d) life insurance company (e) mortgage company (f) Federal National Mortgage Association (g) individual or individual estate (h) other.

15. Did the holder of the mortgage purchase it or originate it?

Fifty-five Killed On Highways

In the Central Missouri area covered by State Highway Patrol Troop A fifty-five persons have been killed the first seven months of this year compared with 53 in the same period in 1949. This information was released by Captain O. L. Viets, commanding officer of Troop A.

In the same area there were 1,410 accidents compared with 1,069 last year, and for the first seven months of this year there were 1,087 persons injured. Property damage this year to date amounted to \$662,493.

Peltis county's record shows one killed in July, two killed or injured in August. In the same period of 1949 one killed and one injured.

Property damage in the county for July was \$479 and \$37,125 for the period against \$30,741 in 1949.

OBITUARIES

Mrs. C. E. Haller

Mrs. C. E. Haller, the mother of Mrs. Home, Vancie, died at the Sedalia hospital at 2:00 o'clock Sunday afternoon.

She is survived by three daughters, Mrs. Homer Vancie, 714 East Ninth street, Mrs. E. E. Montgomerie of Blue Springs and Mrs. A. P. Dickerson of St. Louis. Funeral services will be held Tuesday afternoon at 2:00 o'clock at the First Baptist church in Blue Springs.

Mrs. Charles Moore

Mrs. Carolyn Moore, former Sedalia, widow of Charles Moore, died at the Sedalia hospital at 2:00 o'clock Sunday afternoon at 2:00 o'clock Sunday afternoon.

Surviving are four daughters, Helen, who is Mrs. Jack Fotheringham, of St. Louis; Genevieve, Mrs. Louis C. Calkins, of St. Louis; Mrs. Lucille Dege, of Las Vegas, Nev.; and Mary Virginia, Mrs. Walter McCreath, of Mason City. The body will be brought to Sedalia and taken to the Gillespie funeral home. Complete arrangements have not been made.

Oliver C. Kerby

Oliver C. Kerby, 40 years old, died at Dallas, Texas, at midnight Sunday night.

Mr. Kerby was a former Sedalia resident, having lived here most of his life.

He was born at Muscoe, Mo., January 22, 1910; the son of the late Charles and Alice Walters Kerby.

Mr. Kerby was never married. He was employed by the R. K. L. shops in Sedalia until 1942, when his health failed and he went to Dallas to reside.

He is survived by one brother, Marion, Kerby 1606 South Park avenue, one half-sister, Roy, Wherry, El Reno, Okla.; one half-sister, Mrs. Charles Miller, 1008 Sixth Park avenue.

Pettis County Farm and Home News

Achievement Days For The 4-H Clubs

Be Wednesday
And Thursday At
Park August 16-17

The Pettis County 4-H Achievement Day will be held this coming Wednesday and Thursday, August 16 and 17 at Convention Hall in Sedalia. This event held annually is the highlight of the year for Pettis County 4-Hers as this is the time for exhibiting the results of the past year project work. There will be classes for all project work except livestock, dairy and poultry. Those members enrolled in livestock, dairy or poultry projects will save their big day on Friday, August 18, which is the date for the County 4-H Livestock Show.

The program for the two day Achievement Day event is as follows:

August 16
9:00 a. m.—12:00 noon—all exhibits (except vegetables) entered and in place to be judged.
4:00 p. m.—all vegetable exhibits in place to be judged. (All exhibits may be brought in individually or by leaders).
August 17
8:00 — 8:40 — Registration and view exhibits.
8:45—Girls Grooming.
Boys Grooming.
9:15—Home Economics demonstrations.
10:00—Agricultural demonstrations.
10:30—Judging contest in Food Preparation, Home Furnishings and Vegetables.
12:00—1:00—Lunch.
1:15—Dress Revue (private judging).
1:45—General Assembly, Entertainment, presiding.
Pledge to American Flag.
4-H pledge.
Group singing.
Introduction of judges.
Presentation of awards and Dress Revue.
Grooming awards.
Demonstration awards.
Judging awards.
Food preparation.
Food preservation.
Clothing.
Home furnishings.
Vegetables.
Style Revue and awards.
Classes of Projects
Classes in the following projects may be exhibited at Achievement Day: Clothing I, II, III, IV and V; Food Preparation I, II, III, IV and V; Food Preservation I, II and III; Home Service: Home Furnishings I & II; Farm Handicraft I and II; Farm Electricity; Native Crafts I, II and III; Home Grounds I, II and III; Garden I, II and III plus a club exhibit; Entomology I and II; and Scrapbook.

The various exhibits in each of the above classes are listed in the Achievement Day and Livestock Catalog which was sent to all Pettis County 4-Hers and leaders. In addition to the exhibits at Achievement Day there will be judging contests in the vegetable, clothing, food preservation, food preparation and home furnishings projects. Also boys and girls grooming, dress revue and home economics and agricultural demonstrations will be judged at this event. The judges for this event will be Miss Audra Robertson and Mrs. Ruth Duree. Home Agents from Henry county and Mrs. Nancy Shy. Home Agent in Saline county and Herschel Gaddy, county agent, Saline county.

The rules and regulations as well as all other announcements concerning this event have been mailed to all 4-Hers in the county. No advanced entries are required for Achievement Day exhibits.

Largest Pyramid

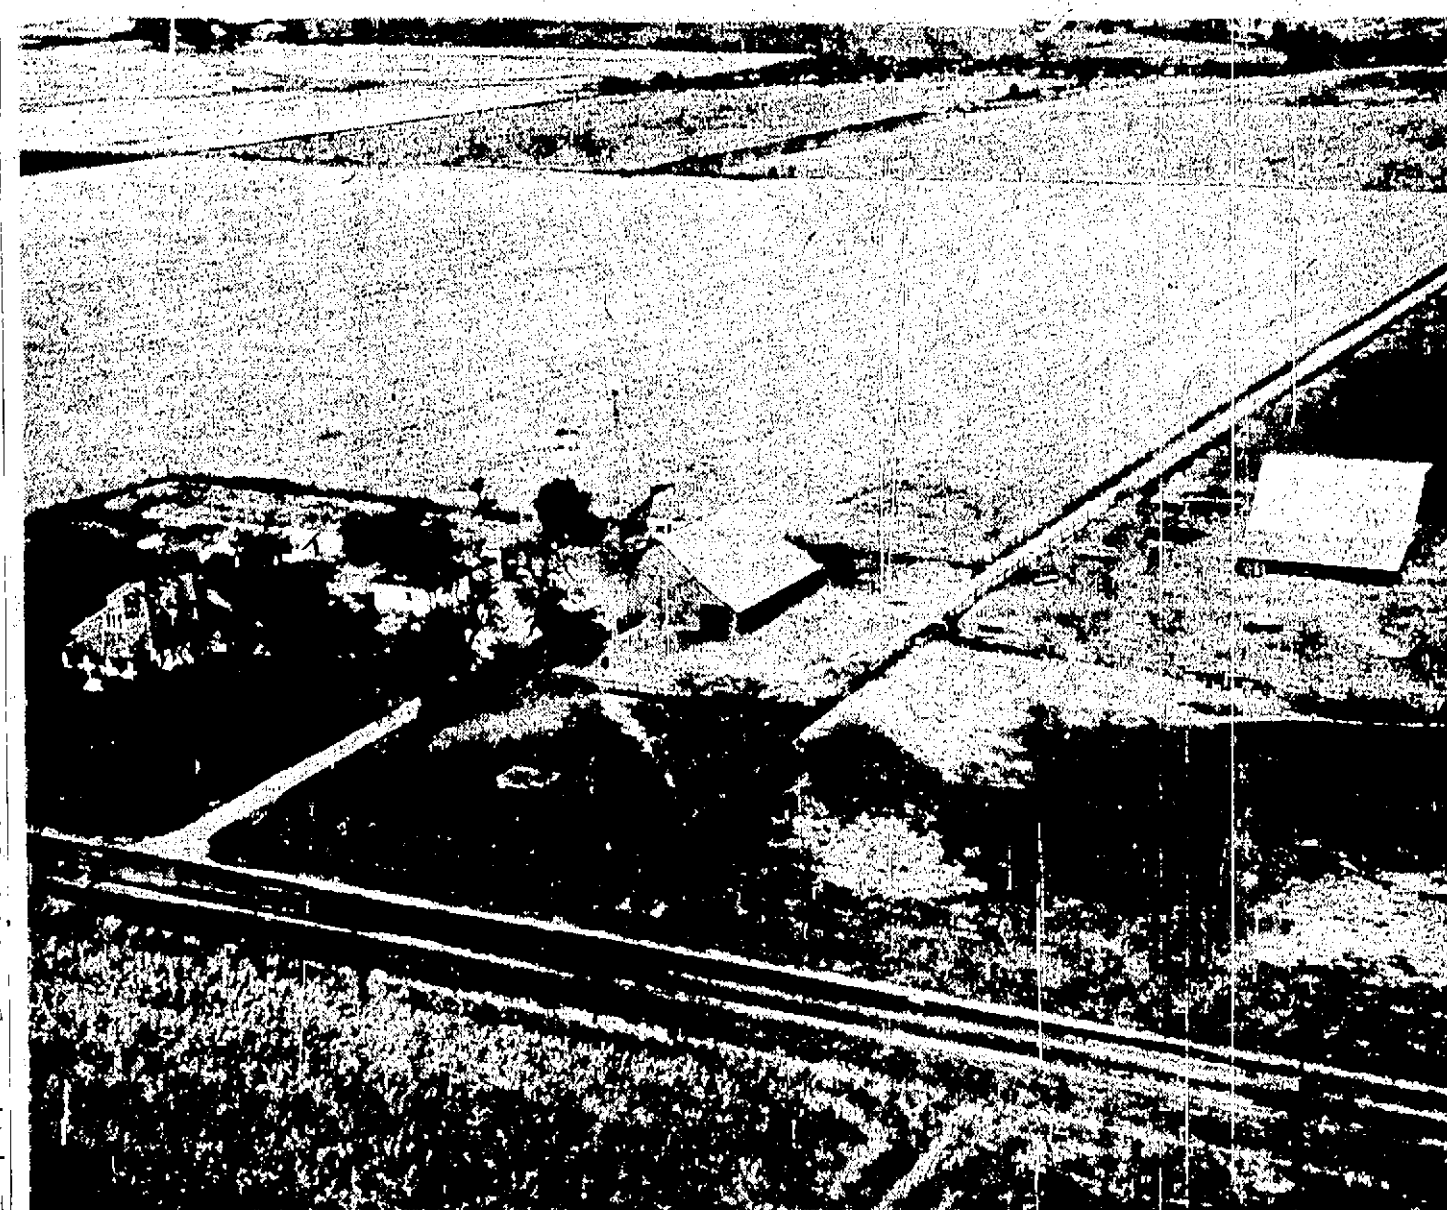

The ancient Toltec pyramid at Cholula, Mexico, covers 45 acres and is the largest of its kind in the world, according to the Encyclopedia Britannica.

3-Year-Old Boy Now Eats As He Should—Thanks to HADACOL

Had been suffering deficiencies of Vitamin B₁, B₂, Iron and Nicotin. Mrs. Ursula Horton, 108 74th Street, Houston, Texas, wants our readers to know about her son. "I have a little boy 3 years old, and he takes HADACOL. It has helped him very much. He now eats as he should, has better color, and if he doesn't get his HADACOL he certainly lets me know about it. He will say, 'Mamma, it's time for my HADACOL.' I surely recommend HADACOL to anyone under the weather." HADACOL is being recommended by many doctors. It's simply wonderful for growing boys and girls who have no appetite, are thin, puny, nervous because their systems lack Vitamin B₁, B₂, Iron and Nicotin. HADACOL even helps build up the hemoglobin content of red blood (where iron is needed) to course through their little bodies, bringing unbelievable new strength. Trial size, only \$1.10. Large family or hospital size, \$3.35. *Photo by professional model. ©1950, The Lallans Corporation

Mystery Farm Pictures in Central Missouri---

Is this your farm?

Most of the readers of the Democrat-Capital have been following this series of weekly Mystery Farm Pictures with considerable interest.

The pictures that appear in this space in Monday's Democrat and Tuesday morning's Capital, were taken sometime ago by an aerial photographer. The pictures were not shot with the knowledge of whose farm it was. It was a random job; a picture here and a picture there.

To date there have been over sixty-two Mystery Farm Pictures published, most of which have

been claimed by the occupants and owners of the various farms. Yours may be next. Watch for it.

If you see your farm in the Mystery Farm space, come in and claim your picture at the Democrat-Capital news room on the second floor of the Democrat-Capital building. No strings attached; it's yours for the asking.

The farm pictured in the "Farm Mystery Spot" a couple of weeks ago, is owned by Mrs. George McNeal, who purchased the 120-acre farm from her brother-in-law, Pete McNeal, last March. After Mr. McNeal sold the farm,

he moved to Sedalia. The farm is located approximately 23 miles east of Sedalia and three miles east of Sedalia.

Mrs. McNeal lives on the farm. She does not do the farm work herself as the farm land is being rented out.

The mystery farm which appeared in the Sedalia Democrat on Monday, August 7 and in the Capital on Tuesday, August 8, was that of E. J. Sims, of Green Ridge.

The farm comprises 355 acres of farm and pasture land on the eastern limits of Green Ridge. Living on the farm with Mr. Sims

is his wife, and her sister, Mrs. R. A. Hamlin. The couple has two children, both of whom are away from home.

Mrs. Sims had planted 55 acres of corn, 25 acres of oats and 30 acres of wheat this year. The other land supplies grass for his herd of 80 registered hogs and beef cattle. Also on the farm are 40 pigs.

The farm was purchased by Mr. Sims in 1939 and formerly owned by W. A. Horton. The home is a two-story frame building containing seven rooms. Other improvements include three barns, individual hog houses, a double garage and one shed.

corn ear worm that is eating on the ear, spraying with DDT and refined mineral oil is effective. Take one gallon of water and add ten tablespoons of 25% emulsion DDT and 25 tablespoons of refined mineral oil. Spray this mixture on the tops as soon as about one-fourth of the ears start to show silks. Then in four or five days spray again. A common

Spraying To Kill Worms On Corn

"What can I do about worms on my sweet corn?" This question has been asked numerous times recently at the County Extension office.

If it is the European corn borer or the common stalk borer that is in the stalks, no spray will reach them. However, if it is the

Over 200 At A Balanced Farm Meet

Held At The Ream Farm On Afternoon Thursday, July 20

More than 200 people attended Pettis County's Annual Balanced Farming meeting at the Tom Ream farm the afternoon of July 20th.

County Agent Roy L. Copley called the meeting to order and introduced Mr. and Mrs. Tom Ream who welcomed the crowd to their farm and home.

C. S. Arnold, County Farm Bureau President, mentioned the improvements made to his own farm and home through the help of Balanced Farming planning, told of the Farm Bureau's interest in the program and explained the new 2 year plan of the local Balanced Farming Association.

Mr. Ream was credited by Associate Agent Merle Vaughan with greatly improving the facility of the farm since he moved to it in 1934. Mr. Vaughan called on a neighbor of Mr. Ream, Mr. J. A. (Jim) Harvey, who reported that the present Ream farm used to be known as one of the poorest in the community. Neighbors had warned Mr. Ream not to try to grow corn on one field that he now has producing regularly over 60 bushels per acre.

We have helped the Reams with their farm improvement program since 1947 said Vaughan. This assistance has included loading terraces and terrace outlets, planning the crop rotation and field arrangement, clean pastures for hogs and in loading a new machine shed and the new farm home.

Two Garden Plans
Miss Flora Carl, Extension Nutrition Specialist, commented on the 2 area garden the Reams have used successfully for several years and told of the importance of a good diet for good health and make people feel well.

Those attending were very interested in going through the new home. After that, the tour of the farm was started.

Stops were made to see the Angus herd on red clover, timothy and ladino pasture, spring pigs on clean pasture and 3 year old alfalfa. Some yellow leaves were showing up in the third cutting of alfalfa and Mr. Ream said the same thing occurred in that cutting last year.

John Falloon, Extension Soils Specialist, said this yellowing might be caused by several things including a lack of potash and magnesium. A recent soil test showed the field was deficient in both. Falloon said that a magnesium deficiency was showing up

in some counties especially where a field had been limed more than once. "One answer is to use a limestone for this second application that contains some magnesium," he said. It is called dolomitic limestone and would need to be shipped or hauled some distance.

The next step was to see a thin

section Missouri Soil Saving dam just put in by contractor Arnold Fischer of Sedalia. It took about 6 yards of ready-mix concrete and will protect about 85 acres. Fisher discussed the structure briefly and answered questions about it.

At the same stop the folks at-

Holcomb Cardinals Beat Whiz Kids 1 to 0 for Missouri's Semi-Pro Championship

Call Game In Sixth After Downpour Of Rain; Started Play In Steady Drizzle

Holcomb Cardinals, from way down South, came through to win the 1950 Missouri State Semi-Pro baseball tournament by taking the final game from the Sedalia "Whiz Kids" Merchants in a 1-0 baseball game of five and a half innings. The Cardinals, 1949 defending champion, will represent Missouri's Semi-Pro baseball teams in the National Baseball Congress tournament at Wichita, Kas., which opens Friday night.

It was a game which was played in a drizzling rain up until the first half of the sixth inning, when the clouds opened up and delivered a downpour. A 45-minute delay only kept the fans, baseball players, umpires and others on a "hot seat" until a final decision by Umpire-in-Chief Charles Walker declared the game off.

"Doubt" In Some Minds

There will always be "doubt" in the minds as to whether the Kids could have overcome the one-run, but in the interest of the ball players and for their own safety Umpire Walker said the diamond was not fit for continued play. No fan could argue the point as water stood in small pools all over the diamond and after it was called the "Whiz Kid" handlers agreed it was the best thing to do.

Bobby Brown, pitching his first tournament game, deserves much credit for his performance on the mound. He handled himself well, he took his time and his receiver Bruce Webb used good judgment in calling for the pitches. The "fat one" was pitched to Frank Davis of the Cardinals, first batter up for Holcomb in the second inning and it sailed over the 318 mark on the centerfield fence for a home run.

Mark Freeman, 18-year-old pitcher for Holcomb was everything they said, but the kid had him a little off. However in the pinch he bore down and kept everything under hand. His only hit allowed was to Jim Bodenhamer, Whiz Kid second baseman who sent a long drive to deep left-center field for his usual game double.

Sensible Thing To Do

Some fans went home a little "sour" because the game didn't go the full nine innings, but the only sensible thing to do after the downpour was the decision to call it off.

Early Sunday morning Gene Kurash, State Commissioner went to the ball park where H. L. "Hank" Williams, deputy commissioner, had already started out getting help to get the diamond in condition for the game. Both teams had a watchful eye on the progress. The diamond was narrowed, dugged, burned and worked up into condition.

The last "conditioning" came after Harry Spillers suggested the men in the stand go out and walk over the diamond. More than 200 men in the stands heard the call for help over the loud speaker walked out onto the diamond and started their endless parade around the infield. By 3:15 it was ready, game play was started without either team taking an infield workout in an effort to "beat the rain."

Weather Didn't Cooperate

"Old Man Weather" just didn't cooperate as far as the Whiz Kids were concerned and he really turned on the faucets just as the first half of the sixth inning came around.

Sedalia missed the chance of either tying and even getting the winning score in the third inning. Brown had started off flying out to Seelman at second. Bodenhamer came to the plate and took a swing on the second pitch and got his double. Walker hit a hot off down shortstop way and Bobbie James let it get through him, instead of holding up at third base. Bodenhamer tried to stretch it to home and was caught in the "hot box" between Marvin Cook, Cardinal catcher and Williams, the third baseman, the latter ran him down. Walker then made it around to third on a passed ball and Dillard struck out ending the inning.

In his six innings of pitching Brown had five strikeouts, while Freeman sent eight Whiz Kids to the bench the "strikeout" route. Freeman gave up two walks while Brown only gave one free ticket to first.

Sensational Catch

Bobby Dillard, playing left field for the "Whiz Kids," made one of the sensational catches of the tournament in the sixth inning. Williams had hit a sharp fly to the field, Dillard went

dashing from left to left-center to jump and reach into the air to catch the ball for the out.

On a dry field it would have been sensational, on a strictly wet outfield it was more than sensational.

Pressure Of The Fans

Pressure of the fans was on Commissioner Kurash, the umpires and players to continue on, but the decision was left to the umpires in calling it off. Walker after the game said, "I just could not see taking any chances on one of the players going in to the batters box and having a pitcher slip and might throw a ball which might strike a batter and cause serious injury. It happens on dry fields and on a muddy, sloppy diamond like it was after the downpour it was more dangerous. A slide into a bag might cause a broken leg I felt that and feel now I used good judgment in ending the game at the time."

Certainly if the fans could have been around they would have felt better about the game had they heard the conversations between the managers of the two teams and players as well.

May Play Again

Holcomb and the Whiz Kids may get together within the next two weeks according to a decision between the Holcomb manager and Hawley. Holcomb asked if they could play a game with the Kids on one of their trips to or from the National tournament. If possible the game will be arranged at Cal Rodgers said, in the dressing room.

Ed Simpson, Cardinal first baseman, was injured severely in the second inning when he picked up a bare hit ball by Billy Holst. He had his hand split between the ring finger and little finger on his right hand. He will be unable to accompany the team to the National tournament.

Following the calling of the game, the announcement of the All-Star team, the leading pitcher, valuable player, sportsmanship and best dressed team was made.

The box score:

All-Star Team Of Tourney Is Announced

Joe Imhauser The Leading Pitcher; Marion Cook, Hitter

The Sedalia "Whiz Kids" Merchants and Sedalia Cubs landed seven players each on the All-Star team, with Joe Imhauser picked as the leading pitcher of the tournament. Four Holcomb Cardinals are also picked for the team.

The "Whiz Kids" were also picked by the umpires, scorer and other officials as the team showing the most sportsmanship throughout the tournament in their manners on the diamond.

It was interesting to note the final game was the one for Marion Cook to get his one hit out of two times at the plate to beat out Jerry Lumpkin for the leading nitter of the tournament. Lumpkin failed to get a hit in his two trips at the plate and the percentage went in favor of Cook.

The following is the All-Star mythical team and other player and team awards:

Pitchers

Joe Imhauser, Sedalia, "Whiz Kids" Merchants.

Mark Freeman, Holcomb Cardinals.

Lester Mueller, Holcomb Cardinals.

Dave Sisler, Bedford Chevrolet, St. Louis.

Catchers

Clyde North, Bolton Braves, Bolton.

Bob Newell, Sedalia Cubs.

Infielders

Ed Simpson, Holcomb Cardinals.

Jim Weaver, Sedalia Cubs.

Ray Reitz, Bedford Chevrolet, St. Louis.

Henry Lumpkin, Sedalia "Whiz Kids".

Outfielders

John Smith, Holcomb Cardinals.

Jack Hamlin, Patton Creameries, Springfield.

Charles Thompson, Sedalia Cubs.

Utility

Marion Cook, Holcomb Cardinals.

Ralph Waters, Sedalia "Whiz Kids".

Leading Hitter

Marion Cook, Holcomb Cardinals.

Leading Pitcher

Joe Imhauser, Sedalia "Whiz Kids".

Most Valuable Player to his team

Mark Freeman, Holcomb Cardinals.

Sportsmanship

Sedalia "Whiz Kids" Merchants.

Best Dressed Team

Jefferson City (Mo.) Red Birds.

Louis' Shadow Be Over Charles

By Chuck Wellner

BUFFALO, N.Y., Aug. 14—(P)—When Ezzard Charles defends his NBA heavyweight title against Freddie Beshore tomorrow night the shadow of Joe Louis will be over the ring.

The Negro champion from Cincinnati has everything to lose and little to gain by a victory over the blond Harrisburg, Pa. challenger. Upon the outcome depends a \$500,000 September Louis-Charles bout.

Charles enters the ring a 1-5 favorite over the comparatively unknown Beshore, but he can't take any chances.

He doesn't intend to, either.

Pitches Two-Hitter In Title Contest

PARSONS, Kas., Aug. 14—(P)—The Parsons Blues defeated Alba, Missouri, 7-0, last night to win the second half of the Southeast Kansas Ban Johnson title race. Dave Presley held Alba to two hits.

The Blues got only four hits off Alba's Wayne Boyer but profited by his wildness in the pinches.

Parsons and Coffeyville, first half champion, will open a five-game series in Parsons Monday night.

Has Chance To Eclipse Ruth

PITTSBURGH, Aug. 14—(P)—Ralph Kiner, the box office attraction of the last place Pittsburgh Pirates, added another baseball to his private collection today—then said he doesn't think he'll be in the major leagues long enough to eclipse Babe Ruth's all time output of 714 home runs.

Kiner grinned as he accepted the ball from a fan who had been listening to the Chicago-Pirates radio broadcast and knew how badly the home run king wanted the souvenir. It was the 200th home run of the 26-year-old Californian, who has smashed in his comparatively brief tour of duty in the National League and had alerted friends in the radio booth that he wanted "No. 200" for a keepsake.

Playoff About \$85 Per Shot

By Charles Chamberlain

CHICAGO, Aug. 14—(P)—Christ Haubert and Hank Robinson match will be an 18-hole golf playoff today for about \$85 per shot.

Tom O'Shanley's "world" championship is at stake—a title strictly incidental to the \$11,000 first prize, highest in golf history, and \$5,000 for second.

The difference between the awards is \$6,000, and a calculating machine will show you that the boys will be shooting at \$83.33 per shot on a par 72 route.

Post 98 Defeats The Flyers 6-2

In an abbreviated contest called by rain in the sixth, the Clay T. Henderson Post 98 defeated the Sedalia Flyers by a score of 6 to 2 Sunday afternoon at the Center Park diamond.

"Cookie" Herndon and McMiller formed the battery for post 98 and May and McCoy for the Flyers. McMiller led the hitting attack for Post 98 with two triples. Johnson powered a home run for the Flyers.

This game ends the series between the two teams. The rubber game of the series will be played at Hubbard Park on Sunday, September 3. This Sunday Post 98 will play the Town and Country team at the Sixteenth street diamond in a game at 2:30 o'clock.

Probable Pitchers In Today's Games

By The Associated Press

National League

Chenail at Pittsburgh—Ramspeck (6-5) vs. Law (2-4).

St. Louis at Chicago—Brethren (8-6) vs. Lude (5-5).

Only games scheduled.

American League

Detroit at Cleveland—Nolan (10-6) vs. Wynn (12-5).

Only game scheduled.

Dribbled To TD

DEAROT—(P)—When asked for the most unusual play during his four years of football at the University of Michigan, Dick Riekenberg, newly-signed Detroit Lions etc., said: "That forward pass which I caught, dropped, and dribbled across for a touchdown in the 1948 game." Michigan won, 27-13.

Star Student, Too

CLEVELAND—(P)—Bill Willis, great guard of the Cleveland Browns, is proud of the part he played in the success of the Ohio State national championship football team of 1944. But he's even prouder of another award that came his way that year—he was named "Student of the Year."

Clarence (Biggie) Munn, Michigan State's head football coach, enrolled more than a hundred coaches and officials for a two-week clinic in Honolulu, Hawaii, this summer.

The 1950 Michigan State track team smashed 12 varsity records during the season, seven indoor and five outdoor.

Hearn Hurls Giants To A 2-0 Victory

Cardinals Drop Came To Reds By 3 to 2 Score

By Joe Reichler Associated Press Sports Writer

James T. Hearn, an unheralded highlander from Atlanta, Ga., is the top candidate for the baseball bargain of the year honors.

Just two months ago, the St. Louis Cardinals gave up on big Jim. They said him to the New York Giants for the lowly waiver price of \$10,000 today he is doubtful if they could buy him back for ten times that amount.

Since joining the Giants July 14, Hearn has made six starts and New York has won five of them, including a 2-0 decision over the Philadelphia Phils yesterday.

Hearn may not hurt the Giants as a "big" but his performance against the National League leading Phils yesterday couldn't be improved upon. He allowed the hard-hitting Phils only four hits, walked one and struck out three. Ken Johnson was the loser.

The victory gave the Giants an even break in their four-game series with the pacemakers, and a record of 19 wins in their last 23 games.

Despite the loss, the Phils remained five games in front of the second place Boston Braves, who took an 8-2 cuffing from the Brooklyn Dodgers.

Downs Cardinals

The Cincinnati Reds dropped the Cards into fourth place as lefty Ken Riffeisenberger whipped them, 5-2. The Reds helped themselves to sixth place with assistance from the Pittsburgh Pirates who swept both ends of a doubleheader from the Cubs, 7-4 and 2-0.

The front-running Detroit Tigers discovered a new way to gain ground in the American League race. While they sat idle because of wet grounds in St. Louis, the Bengals saw their hold on first place become a bit more secure as the New York Yankees and Boston Red Sox lost while the Cleveland Indians divided a doubleheader.

A four-hit batting performance by outfielder Paul Lehner and a four-inning pitching effort by southpaw Lou Bissie enabled the Philadelphia Athletics to vanquish the Yankees, 5-2. Vic Raschi was the loser.

Rookie Al Sima pitched the Washington Senators to a 6-5 victory over the Red Sox.

Sparked by Manager Lou Boudreau's pinch single and Larry Doby's two-run triple, the Indians came from behind to win the opener, 5-3. The White Sox tugged under Dick Weir for five runs in the first inning to win the second game, 7-5.

Detroit, which faces Cleveland in the only American League game tonight, is sitting comfortably with three and a half game leads over the Indians and Yankees. The Yanks hold a one-point edge over the Tribe. The Red Sox are eight games off the pace.

District Softball Tournament Was Postponed

The district softball tournament at Marshall, scheduled to get underway Sunday night was postponed because of rain. The tournament will open tonight, weather permitting.

The Lewis are scheduled to play at 9:30 o'clock.

Players are requested to meet at 4:30 Wilkerson at 7:00 o'clock from where they will leave.

Reinschler Polytechnic Institute's 12 varsity teams have compiled a winning average of .661 in 462 athletic contests played since 1943.

South American Fans Have Very Low Boiling Point

NEW YORK—South American sports fans make Ebbets Field rosters or Chicago hockey fans look mild by comparison. In fact, at the Belo Horizonte Stadium in Brazil, a shoulder-high wire fence has been erected to keep the fans from mobbing victorious athletes in moments of enthusiasm.

That's the report of Bill Jeffrey, Penn State soccer coach, who recently mentioned the U. S. booting team in the World Cup championships in Brazil.

Jeffrey, and his players, received a practical demonstration of the South American soccer fan's inflammable temperament when the Americans beat England, 1-0 in a match at Belo Horizonte.

"When we scored our goal, pandemonium really tore loose in the stands," reports Jeffrey. "The Brazilians, who figured to benefit by the defeat of the strong English team, touched off wholesale lots of giant firecrackers and tossed them on the field."

"And when the game was over and we had won, some of the 30,000 fans surged right over the fence and past big, burly policemen to carry our players off their field on their shoulders. Me, I raced for the locker room and made it just ahead of them."
